Donate to the Temple Project

A place where the Buddhist teachings of Tibet are preserved, where people can come to receive the teachings, reflect on them, meditate on them – for generations into the future.

Sponsor a Prayer Flag

Printed with prayers and sacred images, it is said the wind carries the peace and beneficial power of the prayers to people and places around the world . . . And it keeps Dzogchen Beara colourful!

Keep it Green

Thinking globally, acting locally. Help us help the environment for the sake of future generations, as we plant trees, eat home grown produce and bring awareness to energy generation and conservation.
